

**FIND THE RIGHT CARTRIDGE FOR YOUR FAUCET
TROUVEZ LA BONNE CARTOUCHE POUR VOTRE ROBINET**

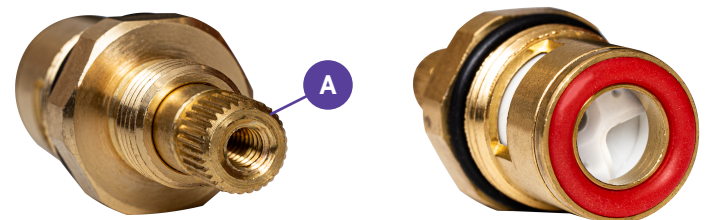

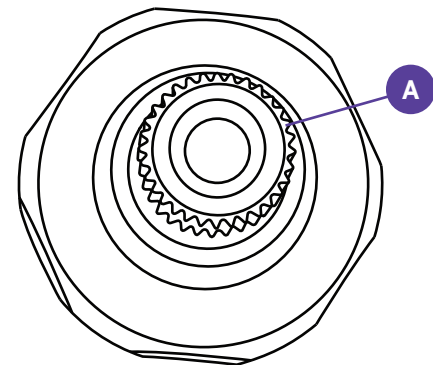

To find which cartridge is right for your faucet, check the tip of your cartridge to see how many Teeth (A) are on the spindle. There should be either 16 or 32 teeth.

Pour trouver la cartouche qui convient à votre robinet, vérifiez l'extrémité de votre cartouche pour voir combien de dents (A) se trouvent sur le fuseau. Il devrait y avoir 16 ou 32 dents.
